Printing Instructions

This is an A4 sized pdf file, you will need a pdf reader such as Adobe Acrobat to open it. These pages will fit on US letter sizes paper, just be sure to select 'fit' or 'shrink to fit' from your printer options to allow for printer margins.

Print the puppets onto matte photo paper, light card stock, or regular printer paper and laminate the puppets after you have cut them out.

Use tape or a glue dot to attach a craft stick to the back of each duck to turn them into puppets. You can also use straws, or bamboo skewers, or ad velcro dots to use them with a felt board, or leave them without to use them in lots of different ways.

Please remember that these printables are for personal and classroom use only, you may not sell, share, or link directly to these files. See the end of this document for full terms of use.

Five Little Monsters

Five Little Monsters

Five little monsters jumping on my bed.

One fell off and bumped his head!

I called to Mama and Mama said,
“No more monsters jumping on the bed!”

Four little monsters jumping on my bed...

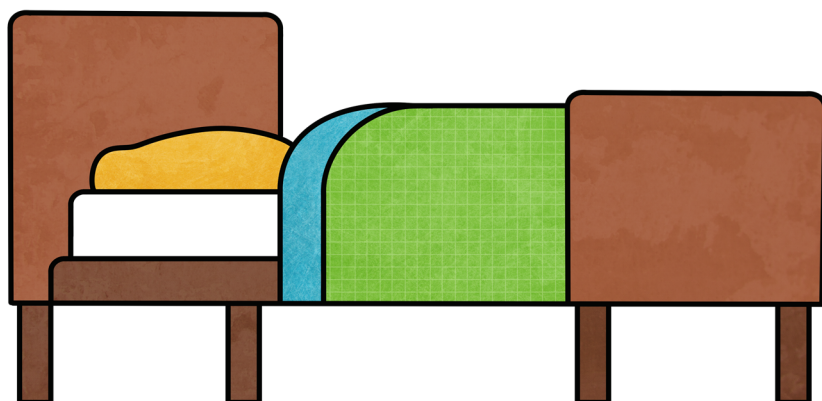

Three little monsters jumping on my bed...

Two little monsters jumping on my bed...

One little monster jumping on my bed.

He fell off and bumped his head!

I called to Mama and Mama said,
“That’s what you get for jumping on the bed!”
