

# Jack-o'-lantern Matching Halves

## How to Use these Cards.

All the jack-o'-lantern matching cards are designed to be easily cut down the middle to make a fun matching halves game.

Simply print the 6 pages of cards, and laminate if you wish. Before you cut around each card, cut down the centre of all the cards following the dotted lines, then cut around each half and you are ready to play.

You can also use this set at a whole card matching game, or to play games like memory.

Simply print each page twice and cut out each card without cutting them down the middle (the dotted cutting guide is not printed on the actual card), and you'll have two of each design to play with.

These cards are a fun way to work on visual discrimination and concepts such as 'same' and 'different', 'half' and 'whole' and even symmetry and pattern.
