

# Gift Card Envelope

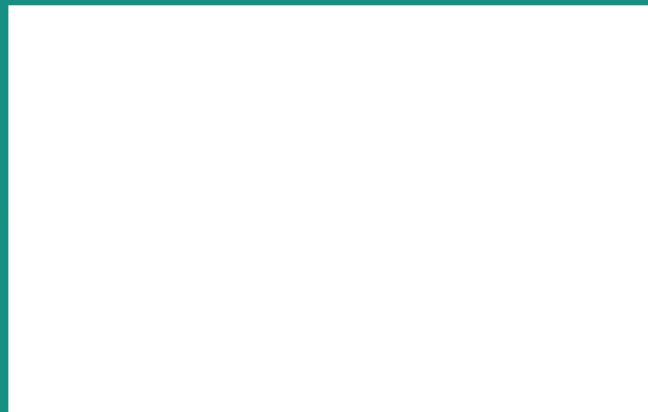

This is the inside of the gift card envelope.

Print the inside first, then turn over and print the outside pattern.

This side of the envelope prints a little larger to allow for printing margins.

Use the outside as a cutting guide.

# Gift Card Envelope

This is the outside of the gift card envelope. Print the inside of the gift envelope first, then print this pattern on the back. Cut around the outside and fold the flaps into the middle.
