

# Earth Day - Find and Color

## What's Included?

This fun, Earth Day find and color I spy activity is a quick and easy, print-and-go, activity that encourages fine motor skills, maths skills, logical thinking and more.

It is a great way to introduce kids to the concept of caring for the environment and to celebrate Earth Day.

## Printing Instructions

This is an A4 sized pdf file, you will need a pdf reader such as Adobe Acrobat to open it. These pages will fit on US letter sizes paper, just be sure to select 'fit' or 'shrink to fit' from your printer options to allow for printer margins.

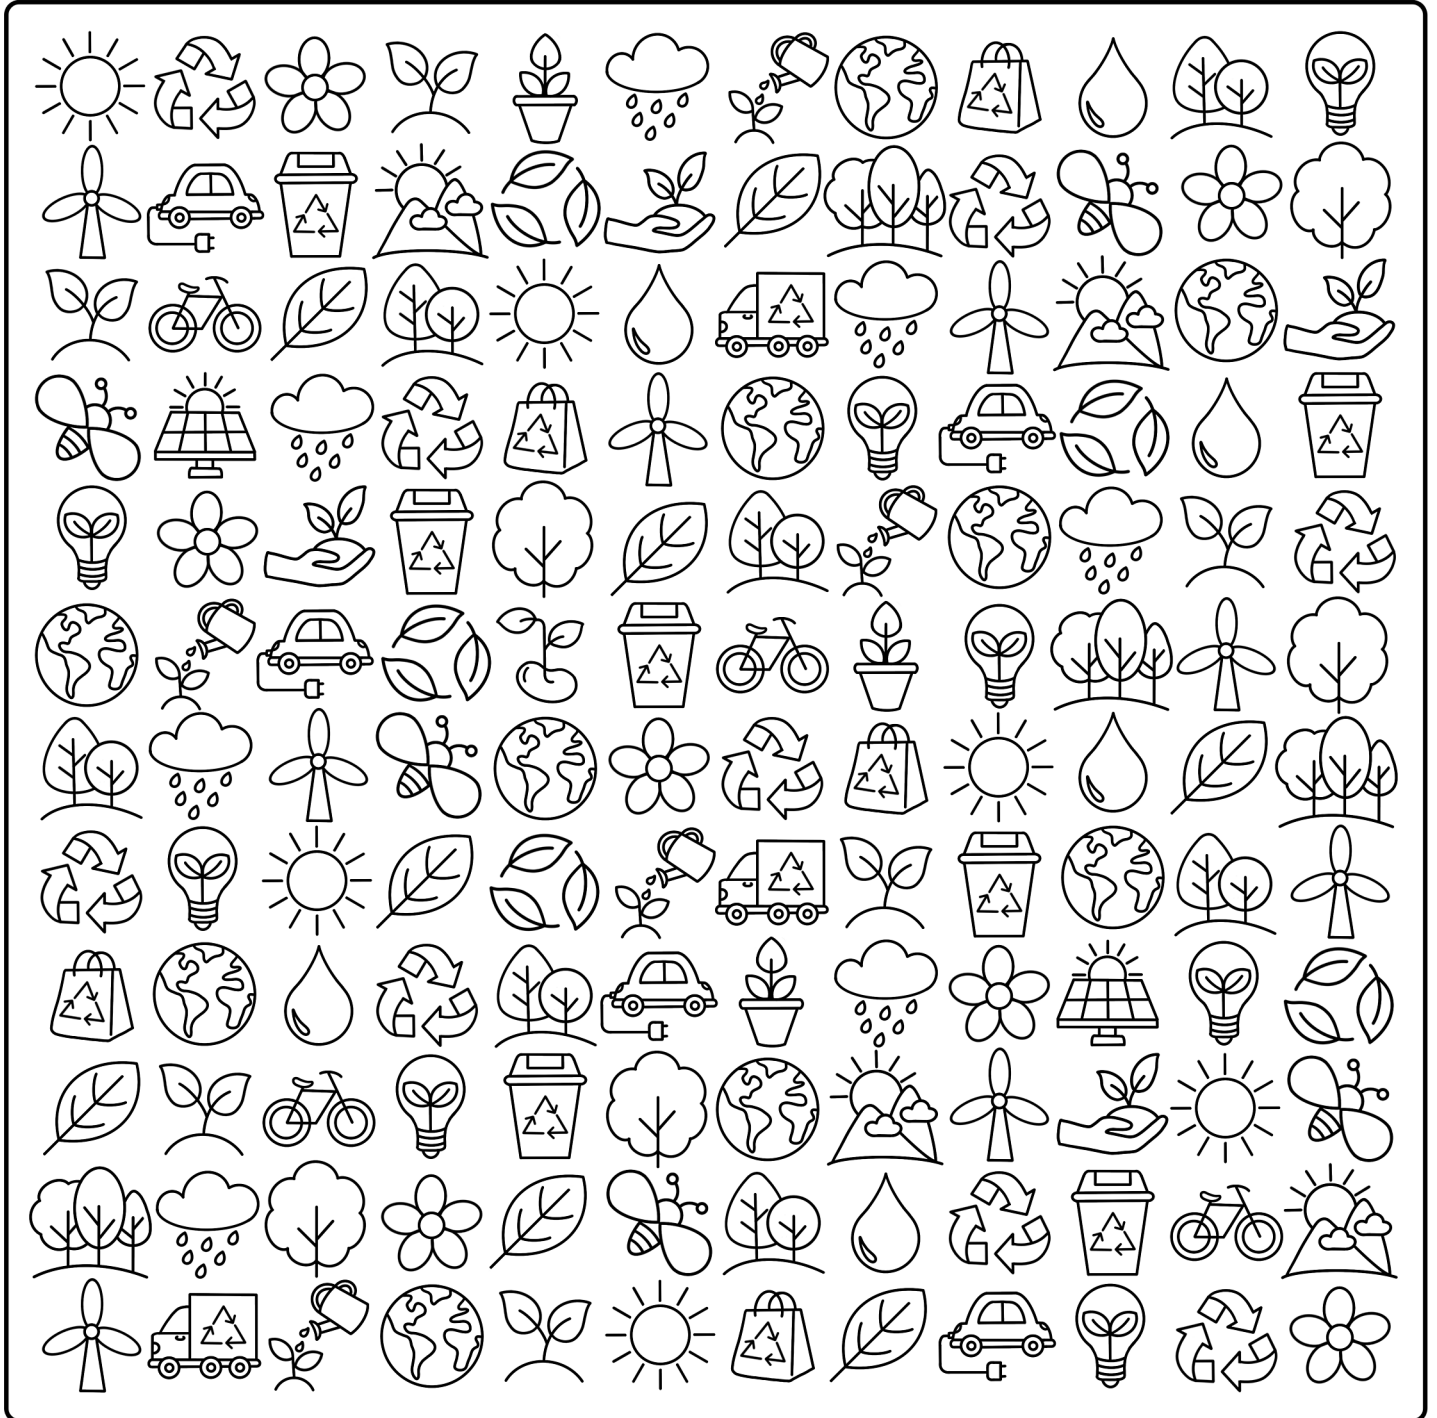

**Please remember that these printables are for personal use only, you may not sell, share, or link directly to these files. See the end of this document for full terms of use.**

## What More?

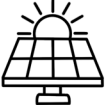

If your kids love I spy and find and color activities, check out the full [Earth Day find and colour pack](#) (with two versions and a bonus graphing sheet) in our shop.

And if you have kids aged 3-7, or you teach them, you might like to join our [early learning printables group on facebook](#). It's a great place to find and share play-based early learning printables for the home and classroom.

# Earth Day - FIND AND COLOR

Can you find all of these items and color them in?
