

Christmas Writing Prompts

What's Included?

This jolly and joyful Christmas writing prompt pack includes six writing prompt pages, one plain lined page, and one plain page with space for a drawing and lines, plus a title page.

These Christmas writing prompts are designed to be short, creative, and fun! Many of them only require short responses, or a lists of words, and some incorporate drawing as well. These features make them great for encouraging reluctant, or beginning writers, as the focus is not about perfect grammar or proper sentences, but simply to encourage the child to write.

If you've got kids who love to write there are a few opened ended prompts, and two blank pages (one with space for a drawing) so there is lots of space for longer creative writing!

Printing Instructions.

This is an A4 sized pdf file, you will need a pdf reader such as Adobe Acrobat to open it. These pages will fit on US letter sizes paper, just be sure to select 'fit' or 'shrink to fit' from your printer options to allow for printer margins.

Please remember that these printables are for personal and classroom use only, you may not sell, share, or link directly to these files. See the end of this document for full
