

2D Shape Puppets

What's Included?

This fun printable puppet set includes 8 different shapes - circle, square, triangle, rectangle, oval, diamond, hexagon, octagon, star and heart.

There is also a matching song words poster so you can use the puppets and sing along with this fun shape song!

Use these 2D shape puppets for circle time, for math learning, and more! They are ready to go, simply print, cut them out, and add a craft stick and they are ready to use!

Printing Instructions.

This printable is an A4 sized pdf file, you will need a pdf reader such as adobe acrobat to open it. It will fit to print on US 'letter sized' paper, just be sure to select 'fit' or 'shrink to fit' from your printer options to allow for printer margins.

Print the puppets onto light cardstock, or regular printer paper and laminate them after you cut them out.

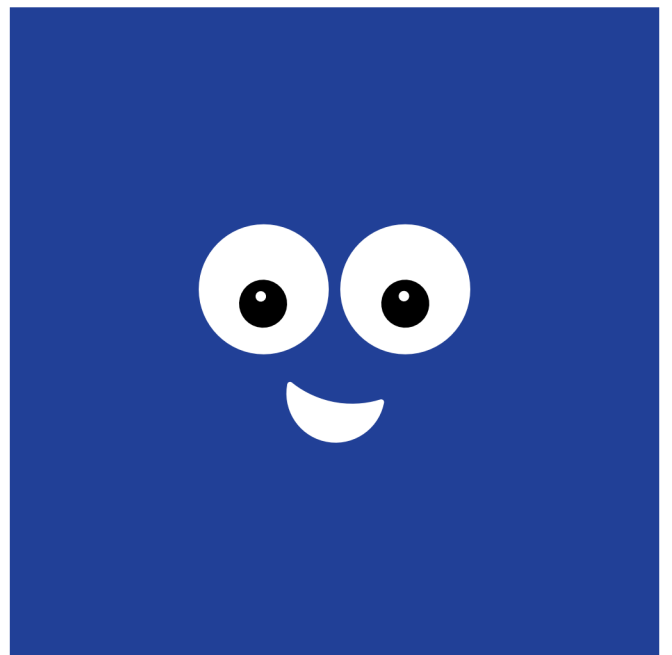

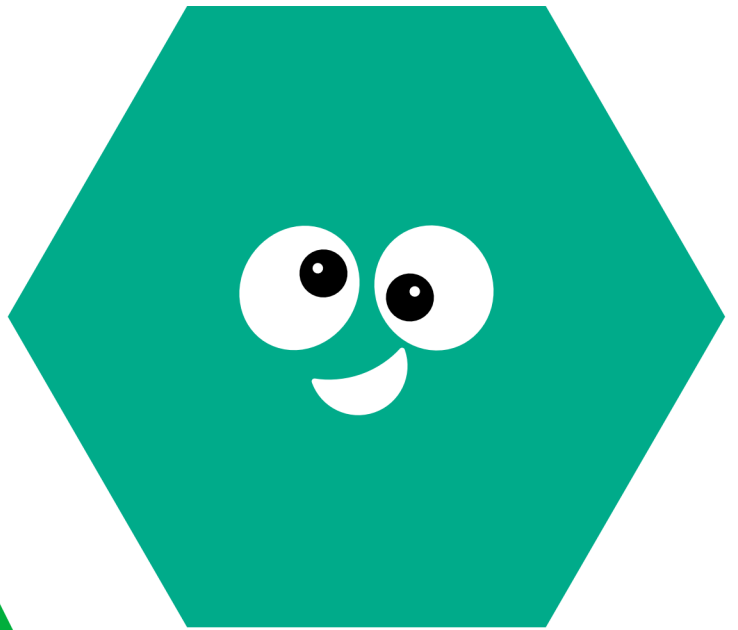

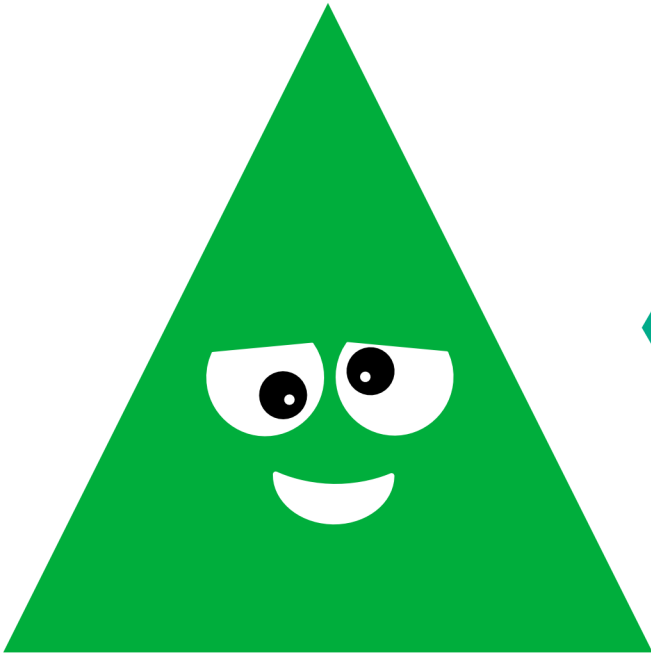

Use tape or a glue dot on the back of each shape to attach a craft stick to make them into puppets, or add a velcro dot to use them with a felt board.

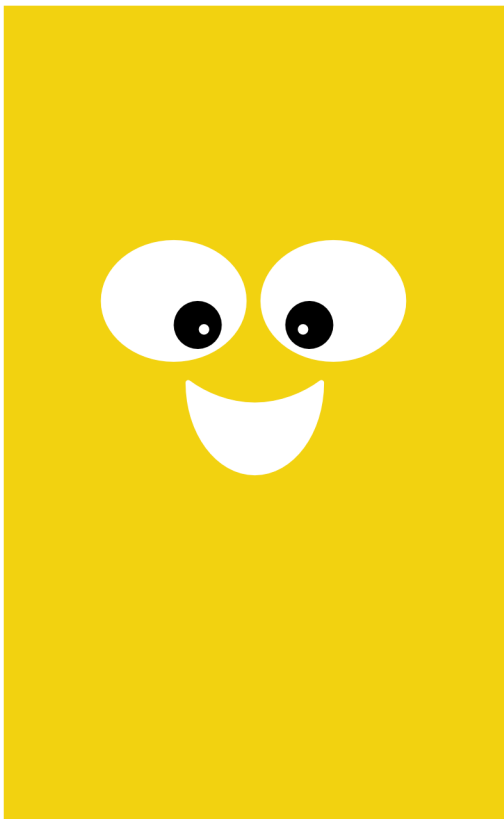

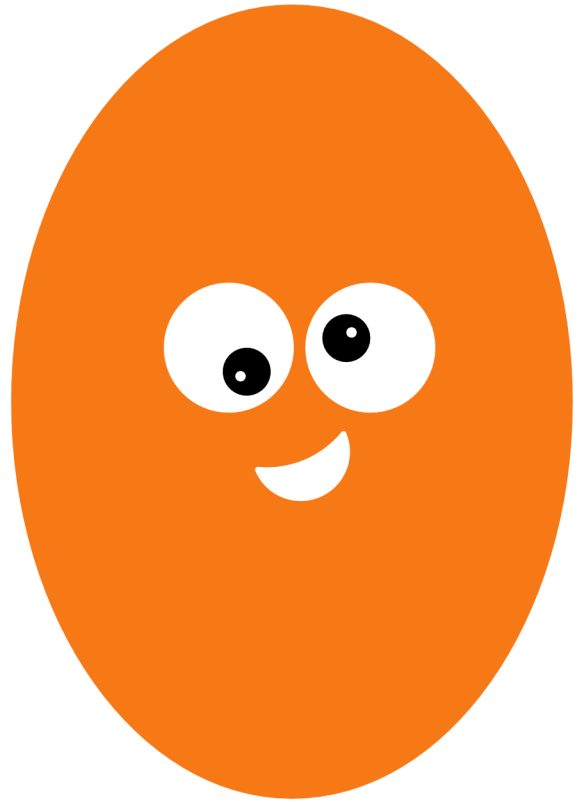

Please remember that the printables at picklebums.com are for personal use only, you may not sell, share, or link directly to these files. See the end of this document for full terms of use.

The Shape Song

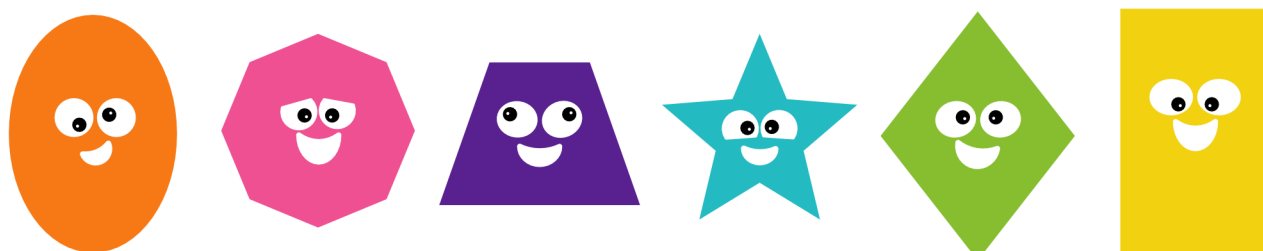

Sung to 'If You're Happy and You Know It'

Put a square in the air in the air
Put a square in the air in the air
Put a square in the air
Hold it high and keep it there
Put a square in the air in the air.

Put a circle on your nose on your nose
Put a circle on your nose on your nose
Put a circle on your nose
Because that's where it goes
Put a circle on your nose on your nose.

Put a triangle on your head on your head,
Put a triangle on your head on your head.
Put a triangle on your head,
Yes, that is what I said!
Put a triangle on your head on your head.

Continue singing with different shapes.
