

# Easter Egg Scissor Skills

## What's Included?

This Easter egg scissor skills pack includes 12 different egg cutting cards in both full colour and black and white outlines.

Print the coloured eggs for a quick and easy scissor skills activity, or print the outlines onto coloured paper to save ink, or have the kids colour them in before cutting.

There are four eggs to a page, and you can either cut around the eggs (best for beginners), or just cut the page into four and have the kids cut around the eggs before cutting along the dotted lines.

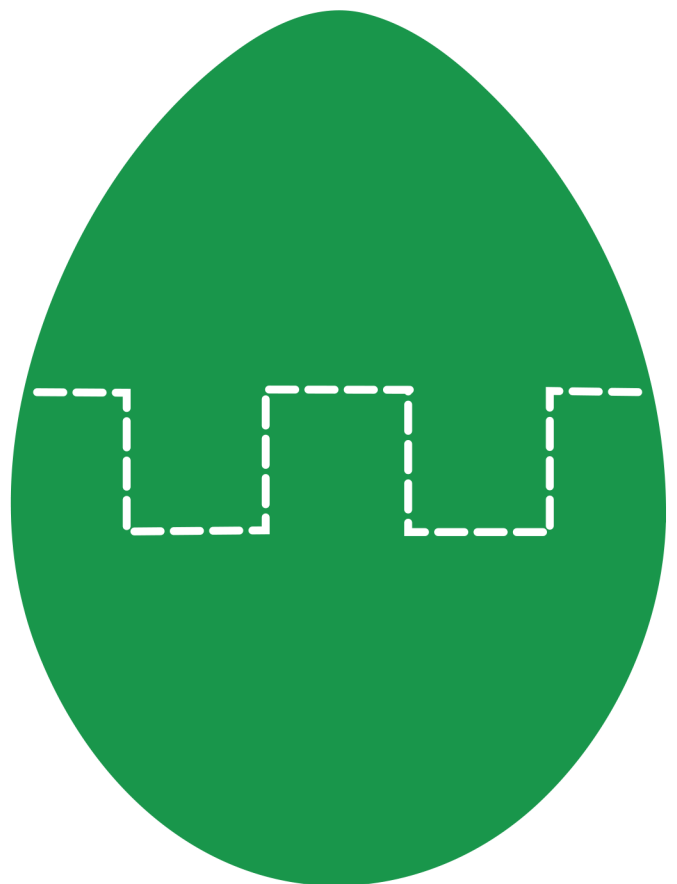

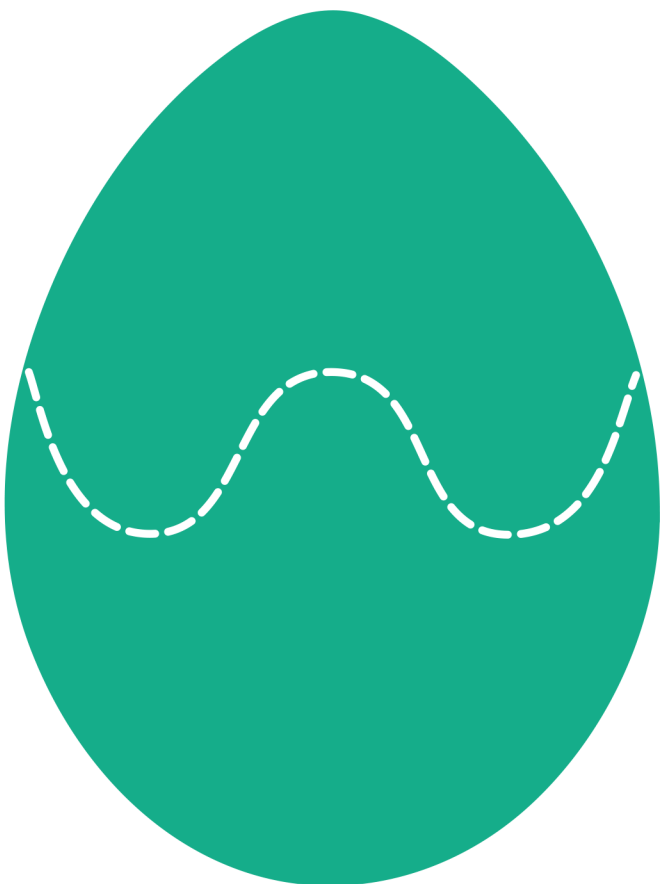

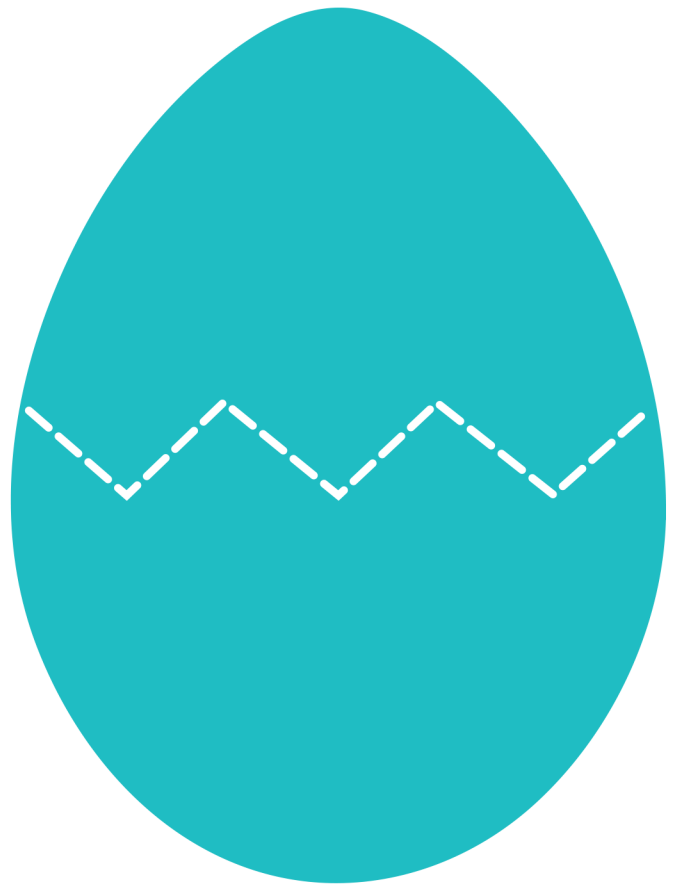

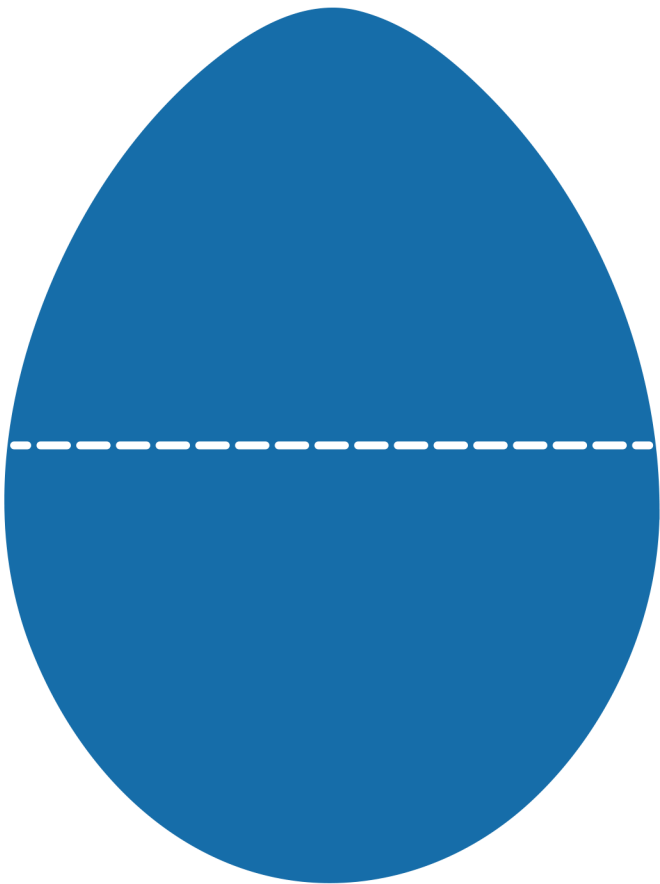

The first 8 eggs have single dotted lines for kids to cut along, and the last 4 eggs have three lines to cut along.

## Printing Instructions

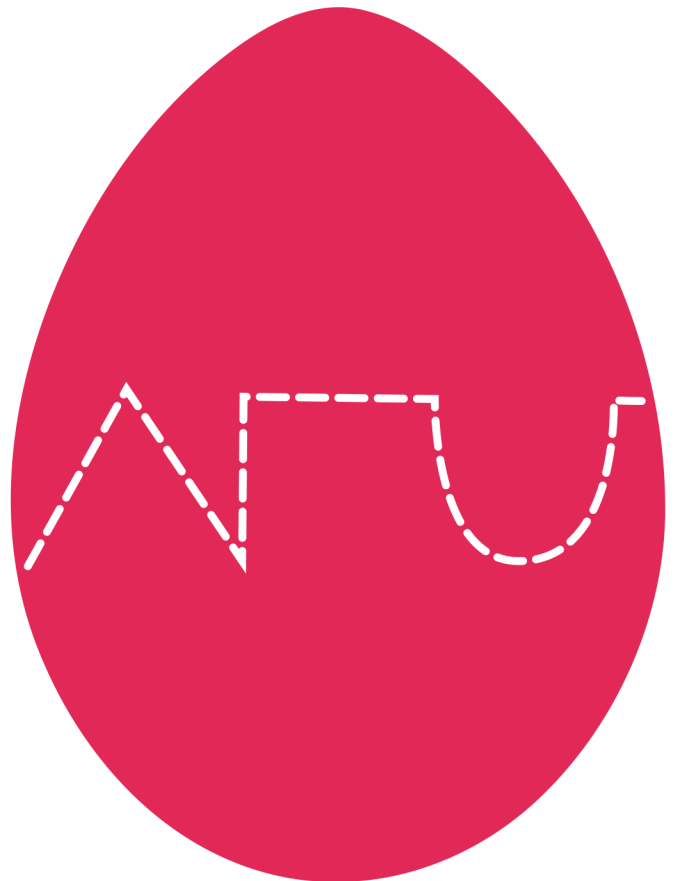

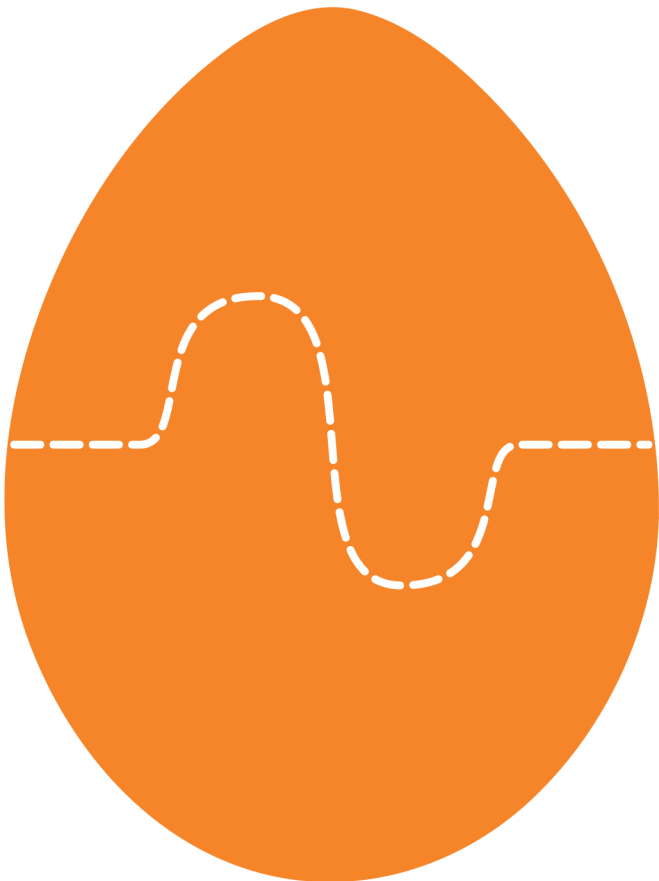

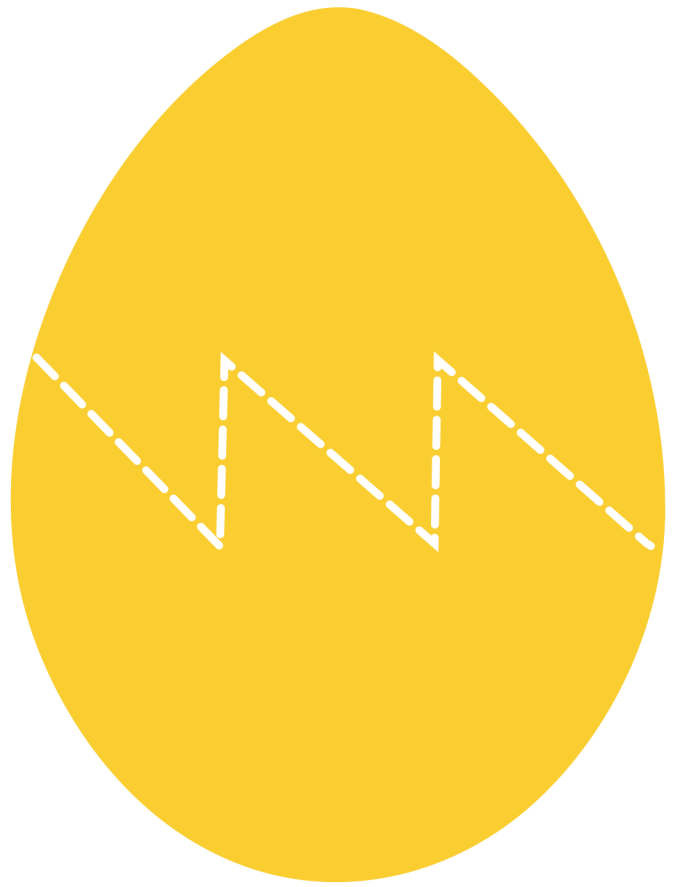

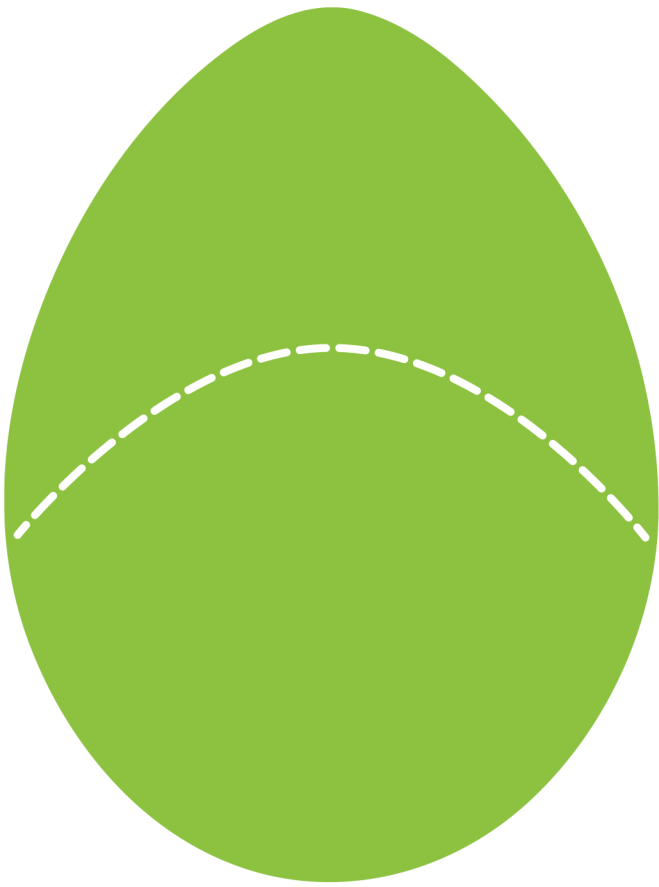

These pattern block mats are A4 pdf files, you will need a pdf reader such as adobe acrobat to open them. They will fit to print on US 'letter sized' paper, just be sure to select 'fit' or 'shrink to fit' from your printer options to allow for printing margins.

**Please remember that these printables are for personal and classroom use only, you may not sell, share, or link directly to these files. See the end of this document for full terms of use.**
