

Apple Puppets and Song

What's Included?

There 5 coloured apple puppets in this pack, along with a song words poster for a fun apple counting song.

Ways to Play

Print and cut out the apples, then attach a craft stick to back of each one to make puppets. As you sing the Five Little Apples song have your child hold the apple puppets up high as if they were in a tree. Shake them around, then choose one apple to fall down. Count how many apples are left and sing the next verse of the song until all the apples have fallen.

Five Little Apples

Way up high, in an apple tree.
Five little apples smiled down at me.
I shook that tree as hard as I could,
And down fell an apple.
Mmmmm it was good!

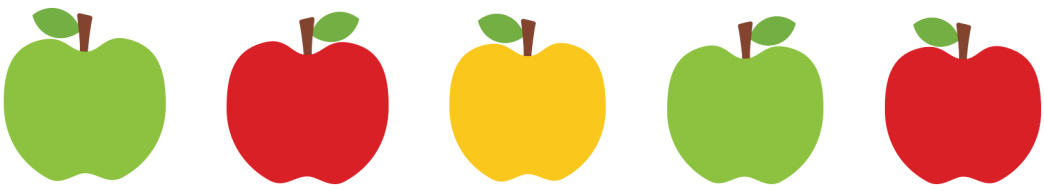

Way up high, in an apple tree.
Four little apples smiled down at me...

Way up high, in an apple tree.
Three little apples smiled down at me...

Way up high, in an apple tree.
Two little apples smiled down at me...

Way up high, in an apple tree.
One little apple smiled down at me...

Way up high, in an apple tree.
No little apples smiled down at me.
I shook that tree has hard as I could,
but no apples fell
like I thought they would.
