

Easter Play Dough Set

This Easter play dough set contains six play dough mats:

- some ears that need a bunny.
- an Easter egg to decorate.
- an Easter hat to decorate.
- an egg that is hatching.
- an Easter basket.
- an Easter tree to decorate.

And two pages of printable accessories - Easter eggs, bunnies, chicks and more.

You may have noticed that our play dough mats are a little different from some of the others out there.

Our play dough mats are designed as a prompt.

They offer a starting point to encourage imagination and creativity. They ask open-ended questions to encourage kids to come up with their own ideas rather than simply following instructions.

There are no right or wrong answers, only creativity, exploration and fun, while also working on fine motor skills, hand strength, co-ordination and more.

So if your child wants to fill the basket with snails, that's awesome! Or if a dinosaur hatches out of their egg, that's cool too!

Have fun, be creative, and enjoy our Easter play dough mats.
